

SANKET KHESE

Computer Science Engineering (AI) Student | Software Development Intern

sanketkhes86@gmail.com | Pune, Maharashtra, India

PROFESSIONAL SUMMARY

Computer Science Engineering (AI) student currently pursuing a Software Development Internship, with a strong interest in Java development, web technologies, and database systems. Skilled in building practical software applications and consistently strengthening technical abilities through hands-on projects and industry exposure.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript

Web Technologies: HTML, CSS, Bootstrap

Database: SQL, MySQL

Core Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms (Basic)

Tools & Platforms: Git, VS Code, IntelliJ IDEA

EXPERIENCE

Software Development Intern

2026 – Present

- Gaining hands-on experience in software development and application design within a collaborative team environment.
- Contribute to programming, database management, and web technology tasks across real-world development projects.
- Continuously strengthen technical skills by collaborating on live development tasks and adopting industry best practices.

PROJECTS

Donation Management System

Java

- Designed and developed a donation management platform enabling users to contribute clothes, books, food, and daily necessities.
- Implemented donor record management, donation tracking, and inventory control using core Object-Oriented Programming principles.
- Structured the application for maintainability and scalability, streamlining data handling across modules.

Travel Booking System

Java

- Built a travel booking and management application to handle destinations, bookings, schedules, and customer records.
- Engineered efficient data handling logic to support reliable, real-time booking and scheduling operations.
- Applied OOP design principles to ensure a modular, maintainable, and extensible codebase.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science Engineering (AI)

2023 – 2027 (Expected)

G. H. Raisoni College of Engineering and Management, Pune

Current Percentage: 75%

Higher Secondary Certificate (HSC) – Science Stream

Percentage: 61%
